online stores hosted in the People's Republic of China or legally imported in connection with an end-user's properly documented relocation to the People's Republic of China. Bang & Olufsen Products purchased in Hong Kong, Macau or Taiwan or elsewhere outside the People's Republic of China are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase. Import, sale and use of specific Bang & Olufsen Products in the People's Republic of China is subject to China Compulsory Certification (CCC), obtained from the above mentioned authorized stores located or hosted in the People's Republic of China at the time of purchase or upon appropriate documentation of relocation to the People's Republic of China for Bang & Olufsen Products purchased abroad.

For Hong Kong and Macau markets only: The Warranty only applies to Bang & Olufsen Products imported by Bang & Olufsen Limited and purchased from authorized physical stores located or authorized online stores hosted in Hong Kong or Macau, or legally imported in connection with an end-user's properly documented relocation to Hong Kong or Macau. Bang & Olufsen Products purchased outside Hong Kong or Macau are excluded from the Warranty but subject to the applicable legislation in the relevant market of purchase.

otherwise, on behalf of Bang & Olufsen regarding the Bang & Olufsen Products or this Warranty.

Severability

If any portion of this Warranty is held to be illegal or unenforceable, such partial illegality or unenforceability shall not affect the enforceability of the remainder of the Warranty.

Consumer's legal rights

This Warranty is provided in addition to the rights and remedies granted by the seller of the Bang & Olufsen Product or granted under applicable legislation. Any and all remedies (e.g. rectification, claim for damages, and/or right to terminate the contract) granted by the seller of the Bang & Olufsen Product or available by law remain unaffected by this Warranty.

For the Australian market only: Bang & Olufsen Products are subject to the guarantees provided under the Australian Consumer Law. You are entitled to a replacement or refund for a 'major problem' and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the Bang & Olufsen Product repaired or replaced if the Bang & Olufsen Product fails to be of acceptable quality and the problem does not amount to a 'major problem'.

For the US market only: Some states do not allow the exclusion or limitation of incidental or consequential damages. Thus, the above limitations or exclusions may not apply to you. This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

For the People's Republic of China market only: The Warranty only applies to Bang & Olufsen Products imported by Bang & Olufsen Enterprise Management (Shanghai) Co. Ltd. and purchased from Authorised Resellers selling from physical stores located or authorized

country, this Warranty does not apply. To obtain information about usage of the Bang & Olufsen Product in several countries, please contact the legal entity stated on the original invoice for the Bang & Olufsen Product.

All implied warranties, including without limitation, implied warranties of merchantability and fitness for a particular purpose, are limited to the duration of this Warranty. In no event shall Bang & Olufsen be liable for damages in excess of the purchase price of the Bang & Olufsen Product or for, without limitation, commercial loss of any sort; loss of use, time, data, reputation, opportunity, goodwill, profits or savings; inconvenience; incidental, special, consequential or punitive damages; or damages arising from the use or inability to use the Bang & Olufsen Product.

Bang & Olufsen makes no warranties or representations, express or implied, statutory or otherwise, as to the quality, capabilities, operations, performance or suitability of any third-party software or equipment used in conjunction with the Bang & Olufsen Product, or the ability to integrate any such software or equipment with the Bang & Olufsen Product, whether such third-party software or equipment is included with the Bang & Olufsen Product distributed by Bang & Olufsen or otherwise. Responsibility for the quality, capabilities, operations, performance and suitability of any such third-party software or equipment rests solely with the user and the direct vendor, owner or supplier of such third-party software or equipment. Nothing contained in the user manual or any other document shall be construed to create an express warranty of any kind with respect to the Bang & Olufsen Product. No agent, employee, dealer, representative or reseller is authorized to modify or extend this Warranty or to make binding representations or claims, whether in advertising, presentations or

- Unreasonable costs or expenses related to modifications or demolitions of the space in which the Bang & Olufsen Product is placed during the process of repair; and/or
- Costs for cleaning the screen due to external influences.

Defects claimed under the Warranty are rectified at Bang & Olufsen's discretion within the rules of the marketing and consumer law. Rectification is ensured by way of (i) repairing the defective Bang & Olufsen Product, (ii) inserting remanufactured parts into the Bang & Olufsen Product, and/or (iii) replacing the Bang & Olufsen Product with a new product equivalent in performance and reliability to the Bang & Olufsen Product. Replacement of limited or special edition Bang & Olufsen Products depends on the availability of the Bang & Olufsen Products in question. Where the Bang & Olufsen Product cannot be repaired (damage is considered as total loss) and where exchange is not feasible, compensation is offered on a pro-rata basis of the purchase price.

All exchange modules become property of Bang & Olufsen.

Exclusions and limitations

Bang & Olufsen is not liable for the damage or loss of any programs, data and/or media content during the repair process. Bang & Olufsen strongly recommends customers to ensure that, if possible, all data is backed up prior to requesting repair services from Bang & Olufsen. The Warranty will not operate if the serial number has been defaced or altered or if non-authorized modifications in the software have been made.

In countries with governmental requirements on specifically developed versions of Bang & Olufsen products, e.g. due to varying transmission systems and approval demands, and the defect or malfunction is caused by the usage of other versions than required in the specific

- Defects which have been caused by wrongful use, incorrect and/or unauthorized installation, incorrect repairs/modifications, or maladjustment of the Bang & Olufsen Product, or neglect, including but not limited to “burn in” of plasma or OLED displays, overdriving of speakers and similar wrongful use;
- Defects resulting from usage of the Bang & Olufsen Product in conjunction with accessories that are not approved by Bang & Olufsen;
- Defects which have been caused by lightning, fire, water, voltage fluctuations, improper ventilation or other events of force majeure beyond the control of Bang & Olufsen;
- Consequential damage, indirect or direct loss or any related expenses claimed under the Warranty, such as but not limited to loss from inability to operate the Bang & Olufsen Product or costs connected with rent of substitution products;
- Software and content provided by third parties or problems occurring due to modifications made by the software provider;
- Field assistance for problems that can be solved with online software updates. It is the customer’s responsibility to provide network connection for these updates;
- Problems occurring with network/wireless connection caused by external effects present locally only and not impacting functionality in other locations not experiencing such external effects. To obtain information about the functionality of specific purposes, please contact Bang & Olufsen;
- Defects in consumables (i.e. components that are expected to require regular replacement such as but not limited to batteries) as well as defects caused by overcharging;

General Conditions

Genuine Bang & Olufsen products ("Bang & Olufsen Products") are covered by this limited warranty (the "Warranty"). The terms of this Warranty apply to Bang & Olufsen Products purchased in or after November 2019. To claim any rights under this Warranty, the original invoice received at the time of purchase of the Bang & Olufsen Product must be presented to Bang & Olufsen.

This Warranty covers all defects (relevant to the specification of the Bang & Olufsen Product in question) that may arise in the Bang & Olufsen Product within the warranty period. The warranty period commences upon the date of purchase by the first consumer purchaser and continues for the following 24 months after that date (the "Warranty Period").

If a defect covered by the Warranty arises within the Warranty Period and your Bang & Olufsen Product is applicable for online return, please make your claim at: <https://www.bang-olufsen.com/support>

If the online return tool is not available in your country or if the Bang & Olufsen Product is not applicable for the tool, please contact the legal entity stated on the original invoice for the Bang & Olufsen Product.

Coverage

Bang & Olufsen warrants that the Bang & Olufsen Product is free from defects in material and workmanship under normal use and service for the Warranty Period.

Bang & Olufsen Products are products of superior design and craftsmanship and should be treated with care. Procedures and suggestions on proper use and maintenance of Bang & Olufsen Products and its internal components should always be followed.

Thus, this Warranty is conditioned upon proper use of the Bang & Olufsen Product within the Warranty Period. The Warranty does not cover:

“本產品符合低功率電波輻射性電機管理辦法：

第十二條

經形式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。

第十四條

低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前項合法通信，指依電信規定作業之無線電信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

最大環境溫度不應超過40°C。

重要安全说明

- 请阅读这些说明。
- 请保留这些说明。
- 请注意所有警告。
- 请遵守所有说明。
- 请勿在近水处使用该设备。
- 只能使用干布清洁。
- 请勿堵塞任何通风孔。请根据制造商的说明进行安装。
- 请勿安装在散热器、热风调节器、火炉或其他发热设备（包括放大器）等热源附近。
- 不要忽略极性插头的安全作用。极性插头有两个插片，其中一个比另一个宽。如果提供的插头无法插入您的插座，请咨询电工了解有关更换旧插座事宜。
- 保护电源线不被踩踏或挤压，特别是在插头、电源插座和电源线从设备延伸出来的位置。
- 仅使用制造商指定的配件。
- 仅使用制造商指定的或随设备销售的推车、支架、三脚架、托架或台桌。如果使用制推车，请在移动推车/设备组合时务必小心，以免由于翻倒而且造成伤害。
- 在雷雨天气或长时间不使用时，应拔出此设备的插头。
- 有关维修事宜应委托给有资质的维修服务人员。当设备遭到损坏（如电源线或插头损坏、液体进入或物体掉入设备、设备被雨淋湿或变潮、无法正常操作或者跌落）时，必须进行维修。
- 最大环境温度不应超过40°C。
- 警告：电源插头或设备耦合器作为断接装置，应保持随时可用。

箱体	○	○	○	○	○	○
铝网	×	○	○	○	○	○

本表格依据 SJ/T 11364 的规定编制

- 表示该有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。
- × 表示该有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。

- Não sujeite o produto a humidade elevada, chuva ou fontes de calor.
- O produto destina-se apenas a utilização no interior e em ambientes secos e domésticos (não aplicável a produtos portáteis).
- Deixe espaço suficiente em torno do produto para possibilitar uma ventilação adequada.
- Não tente abrir o produto. Essas operações devem ser efetuadas por pessoal de assistência técnica qualificado.

Português

Equipamentos elétricos e eletrônicos, peças e pilhas/ baterias assinalados com este símbolo não devem ser eliminados juntamente com resíduos domésticos normais, mas sim recolhidos e eliminados separadamente para proteger o meio ambiente.

O revendedor da Bang & Olufsen dar-lhe-á informações sobre a forma correta de eliminar esses resíduos no seu país.

CAUTION

Para evitar o risco de choque elétrico, não ligue o produto à fonte de alimentação elétrica com a grelha removida.

Importante!

- Evite colocar o produto sob luz solar direta ou luz artificial direta (por exemplo, um holofote).
- Certifique-se de que o produto seja instalado, posicionado e ligado em conformidade com as instruções.
- Não coloque quaisquer objetos sobre o produto.
- A temperatura ambiente máxima não deve ultrapassar os 40 °C.
- AVISO: Não deve colocar fontes de chamas desprotegidas (por exemplo, velas acesas) sobre o produto. A ficha e o cabo de alimentação fornecidos foram concebidos especificamente para o produto. Não substitua a ficha e, se o cabo de alimentação ficar danificado, deve comprar um novo através do seu revendedor da Bang & Olufsen.

Português

Pelo presente, a Bang & Olufsen A/S declara que o tipo equipamento de rádio Beosound A1 2nd Gen está em conformidade com a Diretiva 2014/53/UE. A Declaração de Conformidade total pode ser encontrada no site Web seguinte: <https://www.bang-olufsen.com/support/beosound-A1>

Em conformidade com 2014/53/UE, Diretiva relativa aos equipamentos de rádio (RED)

De acordo com o Artigo 10.8(a) e 10.8(b) da RED, a tabela seguinte fornece informações sobre bandas de frequência utilizadas e a potência de transmissão RF máxima do produto para venda na UE:

Intervalo de frequência (MHz)	Potência máx. de transmissão (dBm)
2402-2480MHz	≤10 dBm

O firmware do produto está disponível para transferir a partir da Bang & Olufsen App.

O produto vai ser vendido em todos os membros da União Europeia e países EFTA.

- Non esporre il prodotto a valori elevati di umidità, a pioggia o a fonti di calore.
- Il prodotto è destinato a essere utilizzato esclusivamente in ambienti interni, asciutti e domestici (non applicabile ai prodotti portatili).
- Lasciare spazio sufficiente intorno al prodotto per consentirne una ventilazione adeguata.
- Non tentare di aprire il prodotto. Queste operazioni sono esclusivamente di competenza del personale tecnico qualificato.

Italiano

Apparecchiature elettriche ed elettroniche, parti e batterie, contrassegnate con questo simbolo non devono essere smaltite con i normali rifiuti domestici, ma devono essere raccolte e smaltite separatamente per proteggere l'ambiente.

Per informazioni sulla procedura di smaltimento corretta per il proprio Paese, rivolgersi a un rivenditore Bang & Olufsen.

CAUTION

Per prevenire il rischio di scosse elettriche, non collegare alla rete elettrica con la griglia rimossa.

Importante!

- Non esporre il prodotto alla luce del sole o artificiale (ad esempio un faretto) diretta.
- Verificare che il prodotto sia stato installato, posizionato e collegato in conformità con le istruzioni fornite.
- Non posare oggetti sopra il prodotto.
- La temperatura ambiente massima non deve essere superiore a 40°C.
- **AVVERTENZA:** Non collocare sorgenti di fiamme libere, ad esempio candele accese, sul prodotto. La spina e il cavo di alimentazione forniti in dotazione sono stati progettati appositamente per questo prodotto. Non sostituire la spina. Se il cavo di alimentazione è danneggiato, acquistare un nuovo cavo dal proprio rivenditore Bang & Olufsen.

Italiano

Con la presente Bang & Olufsen A/S dichiara che l'apparecchiatura radio di tipo Beosound A1 2nd Gen è conforme alla Direttiva 2014/53/UE. Il testo completo della Dichiarazione di conformità è reperibile al seguente sito web: <https://www.bang-olufsen.com/support/beosound-A1>

Conformità con la Direttiva 2014/53/UE (RED)

Ai sensi degli articoli 10.8(a) e 10.8(b) della Direttiva RED, la seguente tabella fornisce informazioni sulle bande di frequenza utilizzate e sulla potenza massima di trasmissione in radiofrequenza dei prodotti in vendita nell'UE:

Gamma di frequenza (MHz)	Potenza massima di trasmissione (dBm)
2402-2480MHz	≤10 dBm

Il firmware del prodotto è scaricabile dall'app Bang & Olufsen.

Il presente prodotto viene venduto in tutti i Paesi membri dell'Unione Europea e AELS.

- No someta el equipo a niveles elevados de humedad, a la lluvia o a fuentes de calor.
- El producto está destinado al uso en interiores domésticos sin humedades (no se aplica a los productos portátiles).
- Mantenga el espacio necesario alrededor del equipo para favorecer su correcta ventilación.
- No intente abrir el equipo. Este tipo de operaciones debe ser realizado por personal técnico cualificado.

Español

Los equipos, piezas y baterías de tipo eléctrico y electrónico marcados con este símbolo no deben eliminarse junto con los residuos domésticos habituales; en su lugar, deben ser recogidos y eliminados de forma independiente para proteger el medioambiente.

Su distribuidor de Bang & Olufsen le asesorará acerca de los pasos a seguir en su país para realizar la eliminación de forma correcta.

CAUTION A fin de evitar posibles descargas eléctricas, no conecte el equipo a la red eléctrica si la rejilla no está instalada.

Importante

- Evite colocar el equipo en un lugar expuesto a la luz solar directa o a luz artificial directa, como la generada por un foco halógeno.
- Asegúrese de que el equipo permanezca instalado, situado y conectado de acuerdo con las instrucciones.
- No coloque ningún objeto sobre el equipo.
- La temperatura ambiental máxima no debe superar los 40°C.
- **ADVERTENCIA:** No deben colocarse fuentes de llama viva, como velas encendidas, encima del producto. El enchufe y el cable de alimentación suministrados están diseñados específicamente para el producto. No cambie el enchufe. Si el cable de alimentación está dañado, deberá adquirir uno nuevo en su distribuidor Bang & Olufsen.

Español

Por la presente, Bang & Olufsen A/S declara que el tipo de equipo de radio Beosound A1 2nd Gen cumple la directiva 2014/53/EU. Se puede consultar la declaración de conformidad completa en el sitio web siguiente:
<https://www.bang-olufsen.com/support/beosound-A1>

Conformidad con la directiva 2014/53/EU sobre la comercialización de equipos radioeléctricos (RED)

Conforme a los artículos 10.8(a) y 10.8(b) de la RED, la tabla siguiente proporciona información sobre las bandas de frecuencias utilizadas y la potencia de RF transmitida máxima del producto a la venta en la UE.

Intervalo de frecuencias (MHz)	Potencia transmitida máxima (dBm)
2402-2480MHz	≤10 dBm

El firmware del producto está disponible para descargar desde la Bang & Olufsen App.

El producto a la venta en todos los países miembros de la Unión Europea y de la EFTA.

- Ne pas exposer l'appareil à un taux d'humidité élevé, à la pluie ou à une source de chaleur.
- Le produit est destiné à un usage intérieur dans un environnement domestique sec uniquement (non applicable aux produits portables).
- Laisser suffisamment d'espace autour de l'appareil pour une ventilation appropriée.
- Ne pas tenter d'ouvrir le boîtier de l'appareil. Les opérations de ce type doivent être confiées à du personnel de maintenance qualifié.

Français

Il n'est pas permis de jeter les équipements, les pièces électriques et électroniques et les batteries portant ce symbole avec les ordures ménagères ; ces équipements doivent être collectés et mis au rebut séparément afin de préserver l'environnement.

Votre revendeur Bang & Olufsen se fera un plaisir de vous conseiller sur la procédure correcte de mise au rebut dans votre pays.

CAUTION

Afin d'écartier tout danger d'électrocution, ne branchez pas l'appareil au secteur lorsque la grille est ôtée.

Important !

- Eviter d'exposer directement l'appareil au soleil ou à la lumière artificielle (spots, etc.).
- Vérifier que l'appareil est installé, positionné et connecté conformément aux instructions.
- Ne poser aucun objet sur l'appareil.
- La température ambiante maximale ne doit pas dépasser 40°C.
- **AVERTISSEMENT:** Aucune source de flamme nue, telle que des bougies allumées, ne doit être placée sur l'appareil. La fiche et le cordon d'alimentation fournis sont spécialement conçus pour le produit. Ne modifiez pas la fiche, et si le cordon d'alimentation est endommagé, vous devez acheter un nouveau chez votre revendeur Bang & Olufsen.

Français

Par la présente, Bang & Olufsen A/S déclare que l'équipement radio de type Beosound A1 2nd Gen est conforme à la directive 2014/53/EU. La Déclaration de Conformité complète se trouve sur le site Web suivant : <https://www.bang-olufsen.com/support/beosound-A1>

Conformité à la directive sur les équipements radio 2014/53/EU (RED)
Conformément à l'article 10.8(a) et 10.8(b) de RED, le tableau suivant fournit des informations sur les bandes de fréquences utilisées et la puissance de transmission RF maximale du produit à vendre dans l'UE :

Gamme de fréquences (MHz)	Puissance de transmission max. (dBm)
2402-2480MHz	≤10 dBm

Le firmware du produit est disponible pour téléchargement à partir de Bang & Olufsen App.

Le produit à vendre dans tous les pays membres de l'Union européenne et de l'AELE.

- Setzen Sie das Gerät nicht hoher Feuchtigkeit, Regen und Wärmequellen aus.
- Das Produkt ist nur für den Innenbereich in trockenen, häuslichen Umgebungen bestimmt (gilt nicht für tragbare Produkte).
- Lassen Sie um das Gerät stets genug Platz für ausreichende Lüftung.
- Versuchen Sie nicht, das Gerät zu öffnen. Überlassen Sie dies qualifiziertem Servicepersonal.

Deutsch (German) Mit diesem Symbol gekennzeichnete elektrische und elektronische Geräte, Bauteile und Batterien dürfen nicht in den normalen Haushaltsmüll gegeben, sondern müssen zum Schutz der Umwelt sämtlich getrennt eingesammelt und entsorgt werden.

Ihr Bang & Olufsen Fachhändler berät Sie bei der sachgerechten Entsorgung in Ihrem Land.

CAUTION

Schließen Sie das Gerät nicht an das Netz an, wenn die Abdeckung entfernt ist, um eine Stromschlaggefahr zu vermeiden.

Wichtiger Hinweis:

- Stellen Sie das Gerät nicht in direktem Sonnenlicht oder nahe an direkten künstlichen Lichtquellen wie Spots auf.
- Achten Sie darauf, dass das Gerät entsprechend diesen Hinweisen platziert, angeschlossen und eingestellt wird.
- Stellen Sie keine Gegenstände auf das Gerät.
- Die max. Umgebungstemperatur darf 40°C nicht überschreiten.
- **ACHTUNG:** Es dürfen keine offenen Flammen, wie brennende Kerzen auf das Produkt gestellt werden. Der mitgelieferte Stecker und das Netzkabel wurden speziell für das Produkt entwickelt. Wechseln Sie nicht den Stecker. Falls das Netzkabel beschädigt ist, müssen Sie ein neues bei Ihrem Bang & Olufsen Fachhändler erwerben.

Deutsch

Hiermit erklärt Bang & Olufsen A/S, dass das Radiogerät vom Typ Beosound A1 2nd Gen die Richtlinie 2014/53/EU erfüllt. Die vollständige Konformitätserklärung ist auf der folgenden Website erhältlich: <https://www.bang-olufsen.com/support/beosound-A1>

Erfüllt die Funkgeräterichtlinie 2014/53/EU (RED)

In Übereinstimmung mit Artikel 10.8(a) und 10.8(b) der RED bietet die folgende Tabelle Informationen zu den verwendeten Frequenzbändern und zur maximalen Funkfrequenz-Sendeleistung des Produkts, das in der EU vertrieben wird:

Frequenzbereich (MHz)	Max. Sendeleistung (dBm)
2402-2480MHz	≤10 dBm

Die Produkt-Firmware steht über die Bang & Olufsen App zum Download bereit.

Das Produkt wird in allen Mitgliedsstaaten der Europäischen Union und in den EFTA-Staaten vertrieben.

- Produktet er beregnet til indendørs brug i tørre, hjemlige omgivelser (gælder ikke for bærbare produkter).
- Sørg for, at der er plads nok omkring produktet til at sikre tilstrækkelig ventilation.
- Forsøg aldrig at åbne produktet. Produktet må kun åbnes af uddannede serviceteknikere.

Dansk (Danish)

Elektrisk og elektronisk udstyr, reservedele og batterier, der er mærket med dette symbol, må ikke bortskaffes sammen med almindeligt husholdningsaffald. Det skal indsamles og bortskaffes separat for at beskytte miljøet. Din Bang & Olufsen forhandler kan rådgive dig om den korrekte bortskaffelsesmetode i dit land.

CAUTION

Undlad at slutte produktet til lysnettet, mens gitteret er fjernet, da dette indebærer risiko for elektrisk stød.

Vigtigt!

- Anbring ikke produktet i direkte sollys eller direkte under kunstig belysning, f.eks. en spot.
- Sørg for, at produktet sættes op, placeres og tilsluttes i overensstemmelse med instruktionerne.
- Anbring ikke genstande oven på produktet.
- Den maksimale omgivelsestemperatur bør ikke overstige 40°C.
- ADVARSEL: Ingen blottede flammekilder såsom tændte stearinlys må placeres på produktet. Det medfølgende stik og netledningen er specialdesignet til produktet. Udskift ikke selv stikket. Hvis netledningen er beskadiget, skal du bestille et nyt hos din Bang & Olufsen-forhandler.
- Udsæt ikke produktet for høj luftfugtighed, regn eller varme.

Dansk

Bang & Olufsen A/S erklærer hermed, at radioudstyret type Beosound A1 2nd Gen er i overensstemmelse med direktiv 2014/53/EU. Den fuldstændige overensstemmelseserklæring fremgår af følgende side: <https://www.bang-olufsen.com/support/beosound-A1>

I overensstemmelse med radioudstyrsdirektivet 2014/53/EU (RED)

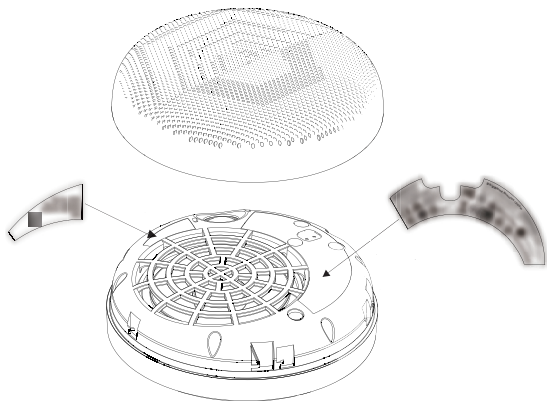

I overensstemmelse med paragraf 10.8(a) og 10.8(b) tilhørende

RED - følgende tabel indeholder oplysninger om de benyttede frekvensområder og den maksimale RF-sende effekt for produktet, når det sælges i EU:

Frekvensområde (MHz)	Maks. sende effekt (dBm)
2.402-2.480MHz	≤10 dBm

Produktets firmware er tilgængeligt til download fra appen Bang & Olufsen.

Produktet markedsføres til salg i alle EU-medlemsstater og EFTA-lande.

RSS-102 statement

- English:
This equipment complies with Industry Canada radiation exposure limits set forth for an uncontrolled environment.
- French:
Cet équipement est conforme à l'exposition aux rayonnements Industry Canada limites établies pour un environnement non contrôlé.

Model: Beosound A1 2nd Gen

Product Name: Bluetooth Speaker

Bang & Olufsen A/S

Phone number: +45 96841122

www.bang-olufsen.com

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

RF warning statement:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

CAN ICES-3 (B)/NMB-3(B)

IC warning

- English:
This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:
 a) this device may not cause interference, and
 b) this device must accept any interference, including interference that may cause undesired operation of the device.
- French:
Cet appareil contient des émetteurs / récepteurs exemptés de licence conformes aux RSS (RSS) d'Innovation, Sciences et Développement économique Canada. L'exploitation est autorisée aux deux conditions suivantes :
 a) l'appareil ne doit pas produire de brouillage, et
 b) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."

FCC Statement

- This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 - a) This device may not cause harmful interference, and
 - b) This device must accept any interference received, including interference that may cause undesired operation.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.

Important!

- Avoid placing the product in direct sunlight or direct artificial light, such as a spotlight.
- Make sure that the product is set up, placed and connected in accordance with the instructions.
- Do not place any items on top of your product.
- The max ambient temperature should not exceed 40°C.
- **WARNING:** No naked flame sources, such as lighted candles should be placed on the product. The supplied plug and mains cord are specially designed for the product. Do not change the plug, and if the mains cord is damaged, you must buy a new one from your Bang & Olufsen retailer.
- Do not subject the product to high humidity, rain or sources of heat.
- The product is intended for indoor use in dry, domestic environments only (not applicable to portable products).
- Leave enough space around the product for adequate ventilation.
- Do not attempt to open the product. Leave such operations to qualified service personnel.

Frequency range (MHz)	Max. Transmit Power (dBm)
2402-2480MHz	≤10 dBm

The product firmware is available for download from the Bang & Olufsen App.

The product to be sold in all European Union member and EFTA countries.

Electrical and electronic equipment, parts and batteries marked with this symbol must not be disposed of with normal household waste, it must be collected and disposed of separately to protect the environment.

Your Bang & Olufsen retailer will advise you of the correct way of disposal in your country.

To prevent electric shock hazard, do not connect to mains power supply while grille is removed.

The lightning flash with arrowhead symbol within an equilateral triangle, is intended to alert the user to the presence of uninsulated “dangerous voltage” within the product’s enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

The exclamation point within an equilateral triangle is intended to alert the user to the presence of important operating and maintenance (servicing) instructions in the literature accompanying the product.

Hereby, Bang & Olufsen A/S declares that the radio equipment type Beosound A1 2nd Gen is in compliance with Directive 2014/53/EU. The full Declaration of Conformity can be found at the following web site: <https://www.bang-olufsen.com/support/beosound-A1>

Compliance with 2014/53/EU Radio Equipment Directive (RED)
In accordance with Article 10.8(a) and 10.8(b) of the RED, the following table provides information on the frequency bands used and the maximum RF transmit power of the product for sale in the EU:

- Unplug this apparatus during lightning storms or when unused for long periods of time.
- Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.
- CAUTION: Never replace the battery. Danger of explosion exists if battery is incorrectly replaced or non-equivalent type used.
- WARNING: The battery (battery or batteries or battery pack) shall not be exposed to excessive heat such as sunshine, fire or the like.
- Using USB-C chargers of poor quality may trigger false operations during charging.
- WARNING: To reduce the risk of fire or electric shock, do not expose this appliance to rain or moisture. Do not expose this equipment to dripping or splashing and ensure that no objects filled with liquids, such as vases, are placed on the equipment.

English

Important safety instructions

- Read these instructions.
- Keep these instructions.
- Heed all warnings.
- Follow all instructions.
- Do not use this apparatus near water.
- Clean only with dry cloth.
- Do not block any ventilation openings. Install in accordance with the manufacturer's instructions.
- Do not install near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
- Do not defeat the safety purpose of the polarized plug. A polarized plug has two blades with one wider than the other. If the provided plug does not fit into your outlet, consult an electrician for replacement of the obsolete outlet.
- Protect the power cord from being walked on or pinched particularly at plugs, convenience receptacles, and the point where they exit from the apparatus.
- Only use attachments/accessories specified by the manufacturer.
- Use only with the cart, stand, tripod, bracket, or table specified by the manufacturer, or sold with the apparatus. When a cart is used, use caution when moving the cart/apparatus combination to avoid injury from tip-over.
